

JAPAN TRIP 2026 - MASTER v10

ESLEAD HOTEL Namba Ebisu West - 3 rooms - about \$525 total

- ASICS Flagship Shinjuku is the protected MUST-DO. Allow 75-90 minutes for fitting/foot scan and NOVABLAST / GEL-NIMBUS / GEL-CUMULUS trials.

- Onitsuka Tiger can use the Shinjuku store while already in the area if desired; Harajuku / Omotesando is removed to reduce walking and transit.

Afternoon / evening

- Suga Shrine + Your Name stairs.
- Continue to Shibuya Crossing + Shibuya LOFT for stationery, then dinner.
- No Shibuya Sky. Donki remains flexible and should not consume prime sightseeing time.

DAY 3 - Mon Sept 28: Akihabara + Ameyoko + Skytree

Morning / midday

- Fujiya Camera has moved to Sept 27, freeing the morning and eliminating the Nakano detour.
- Use the extra time for a more relaxed Akihabara window - Yodobashi / Sofmap / Radio Kaikan / gaming and electronics.
- Ameyoko + lunch / street-food window afterward.

Evening anchors

- Arrive Skytree around 4:15-4:30 PM for BOOKED 5:00 PM entry.
- After Skytree: pick up IX rental in Asakusabashi, register both drivers, then park overnight near Asakusa.
- 8 PM: final Fuji weather / visibility check; early sleep.

DAY 4 - Tue Sept 29: Fuji + Hana-no-Miyako + LaLaport + TeamLab

Pre-dawn Fuji

- 4:00 AM wake; about 4:30 AM depart Asakusa by rental car.
- Kawaguchiko / best visible Fuji viewpoints first.
- Lawson Kawaguchiko + Fujiyoshida Honcho Street are MUST-DO stops.

Flower field

- About 8:30-9:30 AM: Hana-no-Miyako Park near Yamanakako for late-September flowers + Fuji.
- Hard principle: do not let the flower stop jeopardize Tokyo return. Aim to leave the Fuji/Yamanakako area by about 10:00-10:15 AM latest.

Toyosu + TeamLab

- Target LaLaport Toyosu around 1:15-1:30 PM. Park there and eat lunch in the mall.
- Use actual LaLaport parking, not Bayside Cross Tower.
- Walk to TeamLab around 2:30 PM.
- TeamLab Planets BOOKED: 3:00-3:30 PM entry for all 6. Allow about 2 hours.
- Return to LaLaport/car, then return IX rental in Asakusabashi after TeamLab.

DAY 5 - Wed Sept 30: Tokyo -> Osaka

Booked train

- Nozomi 357 BOOKED: Tokyo Station 10:18 AM -> Shin-Osaka 12:45 PM.
- Seats: 1D/1E/2D/2E Fuji side; 1B/1C storage.

Osaka

- Transfer to ESLEAD HOTEL Namba Ebisu West; drop bags / check in.
- Kuromon / Namba, Umeda Sky around sunset, Dotonbori at night.
- ESLEAD HOTEL Namba Ebisu West: 2-6-25 Ebisuhonmachi, Naniwa Ward, Osaka 556-0013, Japan.
- CONFIRMED: 3 Superior Family Rooms (Non-Smoking), 6 adults, Sep 30-Oct 4; about \$525 total. Combined hotels about \$1,261.

DAY 6 - Thu Oct 1: Osaka

Day

- Osaka Castle + grounds.
- Shinsekai / Tsutenkaku area.

Shopping

- TOJIRO santoku, DAISO onigiri mold, Matsukiyo items, Don Quijote groceries if needed.
- Amazing Pass remains optional; do not buy unless same-day attractions justify it.

DAY 7 - Fri Oct 2: Kyoto

Morning

- Fushimi Inari partial hike; then transfer to Saga-Arashiyama.

Booked anchors

- Sagano Romantic Train BOOKED 12:02 PM, Saga -> Kameoka.
- Hozugawa River Boat BOOKED.
- Bamboo Grove + Tenryu-ji afterward.

DAY 8 - Sat Oct 3: Kobe

Morning

- Leave Namba around 9 AM.
- Kobe Nunobiki Ropeway + Herb Gardens, roughly 9:30 AM-12:30 PM.

Afternoon / evening

- Kobe beef lunch around 12:45-2:00 PM.
- Nankinmachi Chinatown MUST, about 2-4 PM.
- Meriken Park / Port -> Harborland for sunset and night views.
- Himeji remains removed.

DAY 9 - Sun Oct 4: Osaka -> Tokyo -> Orlando

Return

- Return Shinkansen Osaka -> Tokyo is BOOKED; follow the ticketed departure and preserve the HND buffer.
- Keep Tokyo Station flexible and protect airport buffer.
- AA176: HND 4:30 PM -> DFW 2:15 PM.
- AA2974: DFW 5:03 PM -> MCO 8:50 PM.

SHOPPING / DECISION NOTES

ITEM	CURRENT RULE
Camera lenses	Tamron 17-70 f/2.8 X + Sigma 100-400 X. Check Fujiya / Map Camera / Kitamura. Used only Good/AB+; otherwise new.
ASICS	Sept 27 protected must-do at ASICS Flagship Shinjuku. Walking + later running; prioritize NOVABLAST / NIMBUS / CUMULUS.
Onitsuka Tiger	Harajuku / Omotesando removed. Shinjuku can be combined with ASICS; personalization remains optional and not locked.
Garmin	Japan-model vivoactive 5 is the main watch target if shopping; verify Suica-compatible Japanese model.
Matsukiyo / Donki	Flexible; do not burn prime sightseeing time on easy-to-find chain stores.
